

FOR IMMEDIATE RELEASE

It's the small things that make our lives a little brighter. Munidée is a fun and easy way to carry a 16 ounce bottle of water. It's functional while also being expressive. The Munidée bottle holders are available in an array of materials, including corduroy, denim, faux fur and terry cloth. Each Munidée is insulated and arrives with a detachable carrying strap.

Munidée is one of Felissimo's original brands and is the combination of French words "monde" (world), "unir" (to unite) and "idée" (idea). Felissimo's goal has always been to connect people through design and Munidée is one way that we can do so through a simple everyday object.
